YOUNG GIRL'S STORY GAVE HER FREEDOM

Poultney Girl Told Court That She Was Defending Herself When She Shot Man in Her Home,

Poultney, March 21.-Miss Carmela ovina of this vilage, aged 17 years who has been in Rutland county jai since March 12 on the charge of the murder of Luigi Vermillo, aged 45 years whom she shut on February 16 while they were alone in the house of Dominic Covina, the girl's father, on the ground that he attempted to felonious ly assault her, was yesterday afternoon lischarged by City Judge Fred G. Swinnerton of Rutland on the ground that the girl acted in self defense. There was a long hearing in the case at the office of W. H. Rowland, counsel for the respondent. Attorney General John G Sargent of Ludlow and State's Attor ney B, L. Stafford of Rutland appeared for the prosecution.

Vermillo was not expected to die from is wound. He was taken at once to the Albany, N. Y., bospital after the blood poisoning set in and be died the merely been under the surveillance of her counsel before that, was then placed under arrest.

story when she was put on the witness and insults she had been subjected to by Vermillo before shouting him. Her story was related through Deputy Sher-The patient, who set the fire in her iff Pascal Ricci as interpreter, as the room was not badly burned, and none girl cannot speak English. It tallied very closely with the statement she gave Mr. Ricci soon after the shooting. The girl was meatly dressed and sho made a good appearance on the stand. Miss Covina said that on the morn-And Saved His Life After He Had Swal- ing the affair occurred Vermillo did not was granted yesterday to William Edget up and go to work when the other bourders in the house did, having recause of Ilineas. and pinched her.

As soon as he was wounded, Vermillo lawful, left the house. He turned as if to come back once and fearing him, the girl shot twice in the air to frighten him, according to her testimony. millo went to a neighbor's and the girl ran out of the house screaming.

blue prints he had taken of the Covina of the house. Dr. A. J. Greenwood testified that Vermillo was brought to his office on the morning of February 16. He described the wound, which he thought was made with a 32-calibre bullet, a short distance from the center of the man's back and on the shoulder

Dr. B. H. Stone, director of the state laboratory of hygiene at Burlington, testified to performing an autopsy on Vermillo's body. He said that the wound looked as though the man had been shot at short range. To substantiate this Miss Covina was again placed on the stand and she testified that Vermillo had hold of her when she fired. Grovanni Villani, Miss Covina's fiance, was the only friend with her during the trial, her parents not being

THE SURVEYING MYSTERY.

Still Remains Such, But W. B. C. Stickney Gives Some New Possibilities.

W. B. C. Stickney of Bethel, coun el for the Boston & Maine railroad, has made public some ideas concern ing the survey being carried on between the East Barre quarries and Orange Heights. He said it might be for the Boston & Maine road or the Vermont Northern Railroad company, although be had understood it was for the former. His statement was merely the expres sion of suppositions. The idea of the survey may be to construct a road from the quarries through Chelsea. This might be the case if the matter is under the auspices of the Boston & Maine. On the other hand, in 1908 the legis-

lature granted a charter to the Verwhich August Heckscher of New York City is interested. He also owns min ing property in the vicinity of where the survey is being made and controls water rights on the White river, not far away. The law passed in the 1908 legislature, granting the charter, states that the railroad is to be started from Fall River, Mass., March 21 .- After some point on the Connecticut & Paswounded that they were removed to the the main line of such railroad, or by or through any of the three counties.
